HANDICAPPED CASES are those cases with at least one handicapped person in the household.

SENIOR CIT. CASES are those cases with at least one person who is over 59 years of age in the household.

HEAT ASSISTANCE PAYMENTS are Heat Assistance dollars spent from October 1, 1982 to date.

HEAT ASSISTANCE OBLIGATIONS are the total Heat Assistance dollars obligated for current cases.

WEATHERIZATION REQUESTS gives the number of requests for assistance under the Weatherization Program.

EXPLANATION OF PROGRAMS

Aid To Families With Dependent Children (AFDC)

Monthly grants to provide day-to-day requirements of low income children in need because of the absence, or incapacitation of a parent.

Foster Care

Full time child care in family foster homes, group homes, or child care institutions; both in-state and out-of-state. This table indicates the number of children and the total foster care payments by county of financial responsibility. Those children who are in foster care, but no payment is being made by SRS, are not included.

Food Stamps

This program supplements the food costs of low income households with food stamps that are redeemable for groceries. This data is reported by household (case), recipient, and amount. There are two kinds of assistance:

Public Assistance -- households receiving food stamps in addition to AFDC or General Assistance.
Non-Assistance -- households receiving food stamps only.

General Assistance, County Medical, Transient Relief, Burials

Various types of temporary assistance for persons in need who do not qualify for Federally assisted programs. These are county-operated programs.

Low Income Energy Assistance

Direct payment to fuel vendors for heating on behalf of low income families and senior citizens. The heating season spans from October 1 through April 30.

Medical Assistance

Payment of medical costs for AFDC and SSI individuals and families, and for others who qualify. Each person is counted as a case.

Weatherization

Services to insulate and make weather tight the homes of low income families and individuals.

EXPLANATION OF PROGRAMS

Aid To Families With Dependent Children (AFDC)

Monthly grants to provide day-to-day requirements of low income children in need because of the absence, or incapacitation of a parent.

Foster Care

Full time child care in family foster homes, group homes, or child care institutions; both in-state and out-of-state. This table indicates the number of children and the total foster care payments by county of financial responsibility. Those children who are in foster care, but no payment is being made by SRS, are not included.

Food Stamps

This program supplements the food costs of low income households with food stamps that are redeemable for groceries. This data is reported by household (case), recipient, and amount. There are two kinds of assistance:

Public Assistance -- households receiving food stamps in addition to AFDC or General Assistance.
Non-Assistance -- households receiving food stamps only.

General Assistance, County Medical, Transient Relief, Burials

Various types of temporary assistance for persons in need who do not qualify for Federally assisted programs. These are county-operated programs.

Low Income Energy Assistance

Direct payment to fuel vendors for heating on behalf of low income families and senior citizens. The heating season spans from October 1 through April 30.

Medical Assistance

Payment of medical costs for AFDC and SSI individuals and families, and for others who qualify. Each person is counted as a case.

Weatherization

Services to insulate and make weather tight the homes of low income families and individuals.

EXPLANATION OF PROGRAMS

Aid To Families With Dependent Children (AFDC)

Monthly grants to provide day-to-day requirements of low income children in need because of the absence, or incapacitation of a parent.

Foster Care

Full time child care in family foster homes, group homes, or child care institutions; both in-state and out-of-state. This table indicates the number of children and the total foster care payments by county of financial responsibility. Those children who are in foster care, but no payment is being made by SRS, are not included.

Food Stamps

This program supplements the food costs of low income households with food stamps that are redeemable for groceries. This data is reported by household (case), recipient, and amount. There are two kinds of assistance:

Public Assistance -- households receiving food stamps in addition to AFDC or General Assistance.
Non-Assistance -- households receiving food stamps only.

General Assistance, County Medical, Transient Relief, Burials

Various types of temporary assistance for persons in need who do not qualify for Federally assisted programs. These are county-operated programs.

Low Income Energy Assistance

Direct payment to fuel vendors for heating on behalf of low income families and senior citizens. The heating season spans from October 1 through April 30.

Medical Assistance

Payment of medical costs for AFDC and SSI individuals and families, and for others who qualify. Each person is counted as a case.

Weatherization

Services to insulate and make weather tight the homes of low income families and individuals.

Foster Care

Full time child care in family foster homes, group homes, or child care institutions; both in-state and out-of-state. This table indicates the number of children and the total foster care payments by county of financial responsibility. Those children who are in foster care, but no payment is being made by SRS, are not included.

Food Stamps

This program supplements the food costs of low income households with food stamps that are redeemable for groceries. This data is reported by household (case), recipient, and amount. There are two kinds of assistance:

Public Assistance -- households receiving food stamps in addition to AFDC or General Assistance.
Non-Assistance -- households receiving food stamps only.

General Assistance, County Medical, Transient Relief, Burials

Various types of temporary assistance for persons in need who do not qualify for Federally assisted programs. These are county-operated programs.

Low Income Energy Assistance

Direct payment to fuel vendors for heating on behalf of low income families and senior citizens. The heating season spans from October 1 through April 30.

Medical Assistance

Payment of medical costs for AFDC and SSI individuals and families, and for others who qualify. Each person is counted as a case.

Services to insulate and make weather tight the homes of low income families and individuals.
